

**Animals / Farm:**  
**Chickens**

**Activity 1: Listening**

Welcome to a practice listening for the GESE 1 about farm animals.

You are going to hear a talk about **chickens**. You will hear the talk twice. As you listen, **write the missing information**. Are you ready?

**Audio Script**

Chickens are small farm birds. They live upto \_\_\_\_\_ years. A male chicken is called a rooster. A female chicken is called a hen. Baby chickens are called chicks. A hen lays \_\_\_\_\_ to \_\_\_\_\_ eggs every week. Some chickens are \_\_\_\_\_ and some chickens are \_\_\_\_\_. You can also see chickens that are \_\_\_\_\_, grey, \_\_\_\_\_ and \_\_\_\_\_. Chickens eat worms, insects, fruit, vegetables and \_\_\_\_\_.

Now let's look at the text with the correct answers.

This is the end of the listening task.
