

**Animals / Jungle:**  
**Tigers**

**Activity 1: Listening**

Welcome to a practice listening for the GESE 1 about jungle animals.

You are going to hear a talk about **Tigers**. You will hear the talk twice. As you listen, **write the missing information**. Are you ready?

**Audio Script**

Tigers are \_\_\_\_\_ jungle animals. They are \_\_\_\_\_, \_\_\_\_\_ and have \_\_\_\_\_ stripes. Tigers usually have \_\_\_\_\_ eyes. Tigers have \_\_\_\_\_ tails and \_\_\_\_\_ claws. They also have \_\_\_\_\_ legs and a \_\_\_\_\_ head. Tigers like to eat \_\_\_\_\_ and are good hunters. A male is called a tiger, a female is called a tigress and a baby is called a cub.

Now let's look at the text with the correct answers.

This is the end of the listening task.
