

## ISE II - B2 - Society and Standards of Living - Themed Questions - Set 1

Read the questions below and write your answers.

Example Question: Why is it important to have good study methods?

Example Answer: Many students say that the best way to study is by taking notes that are well organized. If I were a student, I would use this method in order to be able to study well later and save time. Although, other students mention that it is important to have a good place to study, like a desk or at the library, so that you can concentrate. Furthermore, I have been seeing that if I use flashcards it helps me remember what I need to learn easier.

What is the standard of living like in your town or city?

Have the living standards improved in your country in the last 50 years?

If you could change something about your living situation, what would it be?
