Audio Script

Hi, my name is Grace. I am five years old. I start school in one week. The school gave my parents a list of school supplies for school. My mom helps me find the school supplies. My mom takes me to a book shop, next to my house, to buy the school supplies. We go there every year. I buy notebooks, a calculator, pencils and a sharpener. I got a pencil case in red too. Red is my favourite colour. I can't wait to start school and use my new school supplies!

Now I will ask you some questions. You only need to answer in a few words.

Now let's look at the questions again, but with the possible answers.

This is the end of the listening task.
