Task 1: Soft Toys

Activity 1: Listening

Welcome to a practice listening for the GESE 2.

You are going to hear a talk about **soft toys**. You will hear the talk twice. As you listen, write down some notes about what you hear, if you want to. I will ask you six questions on some facts about **soft toys**. Are you ready?

Audio Script

My name is Bobby and I have a little brother. His name is Nick. I am eleven and Nick is four. Nick has a lot of toys. One of his favourite soft toys is a teddy bear. He loves his teddy bear, but it is different from other teddy bears because it isn't brown. It is orange. Our cousin Tommy, has the same teddy bear, but in green. When we went on holiday together, Nick and Tommy both brought their teddy bears with them. My mom thinks they look cute together with their teddy bears. She even took a picture of them!

Now I will ask you some questions. You only need to answer in a few words.

Now let's look at the questions again, but with the possible answers.

This is the end of the listening task.
