Task 1: Favourite Day of the Week

Activity 1: Listening

Welcome to a practice listening for the GESE 2.

You are going to hear a talk about a favourite day of the week. You will hear the talk twice. As you listen, write down some notes about what you hear, if you want to. I will ask you six questions on some facts about a favourite day of the week. Are you ready?

Audio Script

My name is Marie and I am seven years old. My favourite day of the week is Friday, not Saturday. On Friday, we have art class at school and I love art. When school finishes, my father always takes me to have an ice-cream. For dinner, my mom orders a pizza and we watch a film together. I don't have to go to bed early and I can get up late on Saturday mornings. Fridays are the best!

Now I will ask you some questions. You only need to answer in a few words.

Now let's look at the questions again, but with the possible answers.

This is the end of the listening task.
