

Days and Months

Task 1: Favourite Month

Activity 1: Listening

Welcome to a practice listening for the GESE 2.

You are going to hear a talk about a favourite month. You will hear the talk twice. As you listen, write down some notes about what you hear, if you want to. I will ask you six questions on some facts about a favourite month. Are you ready?

Audio Script

My name is Randy. My favourite month of the year is July. I like this month because I am on summer holiday and my birthday is in July. I am going to be ten and I have twenty friends that always come to my birthday. I celebrate my birthday at lunchtime. Also, every July my cousins visit me and we go to the beach. We always go surfing and play beach volleyball.

Now I will ask you some questions. You only need to answer in a few words.

Now let's look at the questions again, but with the possible answers.

This is the end of the listening task.
