These pictures (point to the pictures) show some places in the **airport**. The talk will tell you where the places are. Each picture has a letter. Write the correct letter in the circles on the map. There is one circle you do not need to use. There's an example to show you what to do (point to where it says A on the map). Please look at the map and the pictures now. You have 15 seconds (wait 15 seconds). Are you ready?

This is a plan for an airport. You can find the information point at the centre of the airport. To the right of the information point, there is a kiosk and to the left, a cafeteria. Opposite the Kiosk is where you can check-in your luggage. In front of the Cafeteria, to the north, is a gift shop if you want to buy any souvenirs. To the right of the gift shop, in the south-east corner, there is a cash machine if you need to get any money and you can find security near the check-in area for when you are ready to go to your boarding gate.

The map shows a rectangular airport layout. At the center is a circle labeled 'A'. To the right of 'A' is a square labeled 'B'. To the left of 'A' is a square labeled 'C'. Below 'A' is a square labeled 'D'. To the right of 'D' is a square labeled 'E'. At the top center is a square labeled 'F'. A compass rose is located to the right of the center, with 'N' at the top, 'S' at the bottom, 'W' on the left, and 'E' on the right. The letters 'L' and 'R' are placed on the left and right sides of the map respectively. Below the map is a legend with six items labeled A through F:

- A: Information point (i in a circle)
- B: Cafeteria (table and coffee cup)
- C: Luggage check-in (trolley with bags)
- D: Gift shop (shop with awning)
- E: Cash machine (person at a machine)
- F: Security (person with scanner)
