Task 1: Wanting a Pet

Activity 1: Listening

Welcome to a practice listening for the GESE 2.

You are going to hear a talk about **wanting a pet**. You will hear the talk twice. As you listen, write down some notes about what you hear, if you want to. I will ask you six questions on some facts about **wanting a pet**. Are you ready?

Audio Script

My name is Tristan and I am twelve years old. I don't have a pet but I want a big dog. My dad and mom think that our flat is too small for a dog, but I think I can walk it everyday in the park. I would give it food, water and I baths on the weekend. Mom says that next year we can have a cat. Cats are good pets for flats. I like cats too, but I like dogs more!

Now I will ask you some questions. You only need to answer in a few words.

Now let's look at the questions again, but with the possible answers.

This is the end of the listening task.
